Subdivision Plans:

Larry Morfoot, who owns property at 993 Anthony Rd, presented information to subdivide his 65 acre property. He wants 10 acres to stay with the homestead so that parcel can stay in Clean & Green and the remaining 55 acres for Agricultural use only. He is aware that there would not be any building rights available for the 55 acres. 22 acres are currently in the CREP Program, but all will be out by 2017. He wants to have buyers for the property before he goes through the subdivision process. The Supervisors had no problem with his plans under these stipulations.

Business from the Floor:

Resident John Peters of 298 Bermudian Church Rd presented information and concerns in regards to the bridge replacement at his property. Supervisor Jeff Propps will contact the York County Planning Commission for more details, since this is a county bridge and get back to Mr. Peters with the information.

Resident Susanne Sardino of 2138 Baltimore Pike questions the Supervisors about building a detached garage and using part of it for an in-law quarters. Supervisor Harlen Anderson, Jr. will have the Zoning Officer research the issue and get back to her.
